The Institute for Family Health School-Based Health Program www.institute.org

It's fast and easy for your child to receive health care services through the The Falcon School-based Health Center!

Dear Parent or Guardian:

We are happy to inform you that the High School of Fashion Industries has a School Based Health Center (SBHC)! The SBHC is run by The Institute for Family Health and is part of the hospital Mount Sinai Hospital division. The SBHC is staffed by licensed professionals consisting of medical, mental health and dental providers.

Please know that your child can use the School-Based Health Center and see your other doctors as well. Signing this consent <u>does not</u> change your insurance, <u>does not</u> change your private doctor, and <u>does not</u> affect the number of times your child can see their primary doctor.

At the School Based Health Center, your child can receive the services listed below at <u>no cost</u> to you, regardless of insurance status. The SBHC is allowed to bill insurance, however there are <u>no co-pays for you</u>, and <u>you do not receive a bill.</u>

School Based Health Center Services include:

- Complete physical examinations
- Medications and prescriptions
- Medical laboratory tests; Immunizations
- Medical care, including treatment for acute and chronic conditions
- Age appropriate reproductive health care

- Health Education and Counseling
- Mental Health Counseling and services
- Screening for vision, hearing, asthma, obesity, and other medical conditions;
- Access to care 24 hours/day, 7 days/week
- Dental Services

To register your child for the services of our School Based Health Center, please read and complete the following information on the attached enrollment form. Be sure to sign the Parental Consent form.

Parental Consent Form Basic Health History

Give the completed forms to a parent coordinator or directly to the School Based Health Center in room 343.

The School Based Health Center is located on the 3^{rd} floor of your child's school and is open every school day between the hours of 8:30 am – 4:00 pm.

We look forward to meeting you and we look forward to providing health services to your child. Feel free to visit us at the School Based Health Center in room 343 or call us at <u>212-206-2910</u> for more information.

Sincerely,

Elizabeth Ring, CPNP Medical Director The Institute For Family Health Daryl Blank Principal High School of Fashion Industries

SCHOOL BASED HEALTH CENTER SERVICES

BOX 1

I consent for my child to receive health care services provided by the State-licensed health professionals of <u>THE INSTITUTE FOR FAMILY</u> <u>HEALTH HIGH SCHOOLOF FASHION INDUSTRIES SCHOOL-BASED HEALTH CENTER</u> as part of the school health program approved by the New York State Department of Health. I understand that confidentiality between the student and the health provider will be ensured in specific service areas in accordance with the law, and that pupils will be encouraged to involve their parents or guardians in counseling and medical care decisions. School-Based Health Center services may include, but are not limited to:

- 1. Mandated school health services, including: screening for vision (including eye glasses), hearing, asthma, obesity, scoliosis, Tuberculosis and other medical conditions, first aid, and required and recommended immunizations.
- 2. Comprehensive physical examination (complete medical examination) including those for school, sports, working papers, and new admissions.
- 3. Medically prescribed laboratory tests such as for anemia, sickle cell, and diabetes.
- 4. Medical care and treatment, including diagnosis of acute and chronic illness and disease, and dispensing and prescribing of medications.
- 5. Mental health services including evaluation, diagnosis, treatment, and referrals.
- 6. <u>For Adolescent Students</u>: Reproductive health care services, including abstinence counseling, contraception [dispensing of birth control pills, condoms, Depo (the shot), LARC, other FDA approved methods] testing for pregnancy, STI screening and treatment, HIV testing, and referrals for abnormal results, as age appropriate and medically indicated.
- Health education and counseling for the prevention of risk-taking behaviors such as: drug, alcohol, and smoking abuse, as well as
 education on abstinence and prevention of pregnancy, sexually transmitted infections, and HIV, as age appropriate and medically
 indicated.
- 8. Dental examinations including: diagnosis, treatment, and sealants where available.
- 9. Referrals for service not provided at the school-based health center.
- 10. Annual health questionnaire/survey.

NEW YORK CITY DEPARTMENT OF EDUCATION'S FACT SHEET FOR PARENTAL CONSENT FOR RELEASE OF HEALTH INFORMATION HIPAA COMPLIANT PARENTAL CONSENT FOR RELEASE OF HEALTH INFORMATION

BOX 2

My signature on the reverse side of this form authorizes release of medical information as specified below. This information may be protected from disclosure by federal privacy law and state law.

By signing this consent, I am authorizing medical information as specified below to be given to the Board of Education of the City of New York (a/k/a New York City Department of Education), either because it is required by law or by Chancellor's regulation, or because it is necessary to protect the health and safety of the student. Upon my request, the facility or person disclosing this medical information must provide me with a copy of this form. Parents are required by law to provide certain information to the school, like proof of immunization. Failure to provide this information may result in the student being excluded from school.

My questions about this form have been answered. I understand that I do not have to allow release of my child's medical information, and that I can change my mind at any time and revoke my authorization by writing to the School-Based Health Center. However, after a disclosure has been made, it cannot be revoked retroactively to cover information released prior to the revocation.

I authorize the <u>HIGH SCHOOL OF FASHION INDUSTRIES</u> School-Based Health Center to release specific medical information of the student named on the reverse page to the Board of Education of the City of New York (a/k/a New York City Department of Education).

I consent to the release from the School-Based Health Center to the NYC Department of Education and from the NYC Department of Education to the School-Based Health Center, of medical information outlined below in order to meet regulatory requirements and ensure that the school has information needed to protect my child's health and safety. I understand that this information will remain confidential in accordance with Federal and State law and Chancellor's Regulations on confidentiality:

Information Required by Law or Chancellor's		Information to Protect Health and Safety:					
Regulation including but not limited to:		* Conditions which may require emergency medical treatment including					
* New Entrant Exam (Form CH-205)		chronic illness					
* Immunizations (required /recommended)		* Conditions which limit a student's daily activity					
* Vision and hearing screening results		* Diagnosis of certain communicable diseases (NOT including HIV					
*Tuberculin test results		infection/STI and other confidential services protected by law).					
		* Health insurance coverage					
		* Enrollment in School-Based Health Center					
		* Individualized Education Program (IEP)					
Time Period During Which Release of Information is Authorized:							
From: Date that form is signed on opposite page	To:	Date that student is no longer enrolled in the SBHC					
NOTE: This School Based Health Center Parental Consent Form has been approved by DOE/OSH							

BASIC HEALTH HISTORY
